CSS

Javascript

MySQL

Node.js

React.js

TypeScript

Version Control

Team Worker

Problem Solver

## EXPERIENCE

### Coding Apprentice

Aug 2022 - Present

Road to Hire

- Learned various coding languages and frameworks such as HTML, CSS, Javascript, Typescript, Node.js, React.js, MySQL, and AWS.
- Managed time and completed assignments efficiently in a fast-paced learning environment.
- Implemented software development methodologies, such as Agile and Scrum, to complete group projects with other apprentices.
- Developed personal development skills like networking, giving and receiving feedback, public speaking, time management, and various ways to study.

### Personal Salesperson

November 2021 - December 2022

- Kept track of inventory and distributed items to customers.
- Lead a group of people on how to successfully distribute items the same way.
- Managed different JSON files and Google spreadsheets that showed items sold.
